

Short Term Fellowships 6

Written by Dr. Damaris Foping

Wednesday, 22 February 2012 06:52 - Last Updated Wednesday, 22 February 2012 07:03

Deadline: Not specified

Funding Source: [HMGU](#)

Country of Study: Germany

Degree Targeted: PhD

Short Term Fellowships 6

Written by Dr. Damaris Foping

Wednesday, 22 February 2012 06:52 - Last Updated Wednesday, 22 February 2012 07:03

Description

These are short-term appointments for 3-12 months depending on the project. The topics can be proposed by the applicant.

For Short-Term Fellowships (ESR), the eligibility rules of (Early Stage Researchers) apply:

"Early Stage researchers are those who, at the time of selection, have not yet completed their first four years of their research career. This is the case if the researcher is employed by the host institution."

Also keep in mind the European Commission's conditions of nationality and mobility of researchers, please refer to the call for proposals.

"Researchers can be national of any country other than the country of the promises of the host organisation which is the host institution."

Topic : Reproducibility of linear QSAR models in the JRC database

Available in [HMGU](#)
