- Thanks for this wonderful message:
"Always keep this in mind: others have succeeded and so can you.
"Failure is a stepping stone to success"
Relentlessly seek for opportunities. Above all be patient, open-minded/ keep your eyes opened. Before spending a penny on another degree ask yourself all the right questions, talk to people/your professors/leaders in your community. What you do or fail to do today is what will shape your future nothing else.
FOCUS!" Philemon Seth Ackom
